to allow the import of specified categories of bus and truck tyres by eligible groups of consumers on OGL.

(b) and (c) The present installed and approved capacity for the manufacture of tyres is considered adequate to meet the demand. Government are in regular touch with the manufacturers in order to maximise production of tyres and tubes.

Proposals for setting up of industrial units in Uttar Pradesh, Madhya Pradesh and Rajasthan

1347. SHRI BIR BHADRA PRATAP SINGH:
SHRI DHULESHWAR MEENA:

Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that State Governments of Uttar Pradesh, Madhya Pradesh and Rajasthan have submitted a large number of proposals for setting up of industrial units in their States;

(b) if so, what are the details thereof, State-wise;

(c) whether it is also a fact that these units have not come up in these States due to the fact that the Central Government have not cleared these projects; and

(d) if so, what steps are being taken to clear such projects?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) to (d) The number of Industrial Licence applications received during the calendar years 1985 to 1987 from the various State Government Undertakings/Corporations in Uttar Pradesh, Madhya Pradesh and Rajasthan for setting up industries in the respective States are indicated in the table below:—

Name of the State	No. of applications received from the State Govt. Undertakings during the period 1985 to 1987.
Uttar Pradesh .	80
Madhya Pradesh .	17
Rajasthan .	61

Out of the 158 Industrial Licence applications mentioned above, 156 applications have already been disposed of. While 71 applications have been approved and necessary letters of intent to the undertakings concerned, 85 applications were rejected/otherwise disposed of. The remaining two applications are currently being processed. Details of pending applications are not divulged till the Government have taken final decisions thereon. Every effort is made to dispose of licensing applications within the prescribed time limits.

Performance of the units set by BHEL

1348. SHRI DHULESHWAR MEENA:
SHRI BHAGATRAM MANHAR:

Will the Minister of INDUSTRY be pleased to state:

(a) what is the number of units set up by the Bharat Heavy Electrical Limited (BHEL) during the last five years;

(b) what has been the performance of each of the units;

(c) what are the details of units incurring huge losses; and

(d) what are the estimated targets fixed for each of these units during the next two years?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) to (d) During the last five years, BHEL has set up three manufacturing units. The estimated turnover of each of these units during 1987-88

and the targets for 1988-89 are as follows:—

(Rs. in croses)

Sl. No.	Unit	Turnover	
		Estimated (subject to audit 1987-88)	Target 1988-89
1.	Insulator Plant, Jagdishpur	5	10
2.	Industrial Valves Plant, Goindwal Sahib (Punjab)	4	5
3.	Component Fabrication Plant, Rudrapur	1	2

The targets for 1989-90 are yet to be finalised.

The Insulator Plant at Jagdishpur which manufactures different types of insulators has suffered a loss.

1349. Transfered to the 12th May, 1988.

Closure of Titagarh Paper Mill, Choudwar, Orissa

1350. SHRI KANHU CHARAN LENKA: Will the Minister of INDUSTRY be pleased to state:

(a) whether Government are aware that the Titagarh Paper Mill No. 3 in Choudwar (District Cuttack), Orissa is closed since long;

(b) if so, what are the reasons therefor; and

(c) what steps Government are taking to reopen this industry?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) to (c) According to Titagarh Paper Mills Company, production in its Mill No. 3 situated at Choudwar in the State of Orissa was suspended from 14th March to 24th April, 1988 for want of coal and absence of working capital finance. The mill has reopened for production from 25th April, 1988.

Manufacturing of Waste Heat Recovery Boilers by BHEL

1351. SHRI PAWAN KUMAR BANSAL: Will the Minister of INDUSTRY be pleased to state:

(a) whether BHEL proposes to indigenously manufacture high-technology Waste Heat Recovery Boilers with foreign collaboration;

(b) if so, the details thereof including the amount of know-how fees and royalty to be paid therefor;

(b) the time by which the manufacturing is likely to commence;

(d) the estimated demand for this equipment during the next five years; and

(e) the estimated addition to power generation capacity thereby?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) to (c) BHEL propose to manufacture waste heat recovery boilers indigenously. waste heat, recovery boilers have considerable potential as they would help conservation of energy by utilising waste heat from industrial units and power plants. Recovery of waste heat in power plants would contribute to additional power generation. No proposal has been received by the Government from BHEL seeking approval for foreign collaboration.
